VISION AT RSI

At RSI, we aim to craft intricately designed stone surfaces, seamlessly blending the latest technology with the expertise of traditional local artisans. We view stone as one of nature's most precious gifts, capable of bringing tranquility and grounding to any space. Through innovative textures and patterns, we strive to enhance this natural treasure while preserving its inherent elegance. By collaborating closely with our clients, we help transform their ideas into stunning realities, ensuring each design caters perfectly to their vision.

*The true work of art is but a shadow of the divine perfection.
.....Michaelangelo*

MISSION

We prioritize our clients above all, ensuring they remain at the forefront of design. Our mission is to redefine spaces in extraordinary ways.

VALUE

We foster an environment where creativity thrives, empowering employees to think innovatively and deliver exceptional results. At RSI, our customers are at the heart of everything we do.

— ABOUT US

RSI Stonekraft, a subsidiary of RSI Stone World Pvt. Ltd., specializes in transforming exquisite stone carving ideas into reality.

Our parent company, RSI Stone World Pvt. Ltd., excels in the extraction, processing, sale, and export of natural stone, delivering premium-quality products to clients across the globe. Our designer stone collections aim to revive the artistry of the past, seamlessly integrating it into contemporary architecture.

Our state-of-the-art infrastructure, coupled with a team of dedicated and experienced artisans, enables us to push creative boundaries and produce works of exceptional craftsmanship. Each piece is a testament to precision, skill, and the rich heritage of stone carving, reimagined for modern times.

INFRA

At RSI, our advanced technology enables us to execute complex designs with precision. Our machinery supports 3-axis, 4-axis, and 5-axis dimensions, along with cutting-edge features like robotic wire cutting, water jet cutting, and laser etching.

Supported by an in-house team of designers and programmers, we ensure that every project reflects unparalleled creativity and technical excellence.

QUALITY AS OUR VALUE

From luxurious villas to intricate sculptures, RSI upholds a commitment to precision and superior finishing. Our rigorous quality assurance processes ensure client satisfaction at every stage, starting from project research and development to final execution.

ENSURED QUALITY OF WORK

Our dedicated quality control team meticulously evaluates each piece to ensure it meets the highest standards. This commitment to excellence is an integral part of our production process, fostering trust and reliability.

OUR CRAFTSMANSHIP

The cornerstone of RSI's success lies in the perfect synergy between advanced technology and the meticulous craftsmanship of our artisans. Our skilled hand carvers preserve traditional Indian carving techniques, infusing every creation with cultural richness and timeless beauty. Their dedication ensures each piece is not only a masterpiece but also a tribute to India's artistic heritage.

A photograph showing two women in traditional Indian attire (sarees) and safety gear (masks and reflective vests) working on a large stone sculpture of a Buddha head. They are kneeling on the ground, using tools to carve the intricate details of the face and the surrounding decorative elements. The scene is set outdoors, likely in a workshop or a quarry area, with other stone pieces visible in the background.
